

The Health Depot

PHARMACY

by GreenShield*

on GreenShield+

Your benefits provider is pleased to provide you with a new digital pharmacy option, **The Health Depot**, on GreenShield+. With the trust and expertise of a traditional pharmacy and the convenience of a digital platform, GreenShield's digital pharmacy has everything you need and want, including:

- **PERSONALIZED** complimentary consultations with a clinical pharmacist.
- **FAST, FREE DELIVERY** to your home, work, or cottage.
- **CONVENIENCE** of having your prescriptions delivered right to your door.

MANAGE HOUSEHOLD MEDICATIONS.

You can set up an account easily on GreenShield+ and book a free consultation with a pharmacist, from the privacy of your own home.

The digital pharmacy is intuitive and easy to use. And the caregiver dashboard allows you to manage your household medications all in one spot.

TRY GREENSHIELD'S DIGITAL PHARMACY TODAY!

Behind the scenes, enjoy peace of mind knowing you always have access to the personalized support you need from a team you can trust – registered pharmacists and technicians, board certified geriatric pharmacists, and certified diabetes and respiratory educators are available via phone, email or web.
